

Limousin tags now available to Quebec producers

ORDER PROCEDURE

General information

Agri-Traçabilité Québec (ATQ), the Canadian Limousin Association and the Association des Éleveurs de Limousin du Québec are proud to announce that a tag specifically intended for identifying Limousin beef cattle is now offered to **Quebec producers**.

Please be advised that these tags are offered exclusively to Limousin cattle producers. **Any producer of purebred Limousin cattle or owner of a registered Limousin bull is eligible to order Limousin identifiers.**

Eligibility conditions

To place an order, Limousin producers in **Quebec must qualify under one (1) of the following criteria:**

- **CLA member residing in Quebec**
- **Quebec producers who have purchased CLA registered bull(s) whose ownership has been transferred since 2010.**
- **Proof of Limousin or Lim-Flex semen purchase***

*In the case of insemination or bull location, validation from the CLA will be required before the order is placed if no proof is provided.

To place an order for Limousin tags

Limousin producers in **Quebec must follow the steps below:**

- 1. Fill, sign and send to ATQ the Information Exchange Consent Form**
- 2. Consult the Order Information Sheet and call ATQ Customer Service to place an order**

You must provide at least one (1) registration number or Limousin bull tattoo in order to be allowed to order, annually, a **maximum** of 1 set of 30 Limousin tags per bull. You must also indicate the ATQ tag number corresponding to the animal.

Consent form and information sheets

The **Order Information Sheet**, the **Consent Form**, a **Price List** as well as ATQ's **Return and Refund Policy** are available on the ATQ website at <https://www.atq.qc.ca/en/forms>.
