

Section 1 - Stakeholder

State your name, the name of your business, as well as your complete address, including the postal code.

It is important to indicate the language in which you wish to receive correspondence, your ministerial identification number issued by MAPAQ (*NIM*), as well as your TPS and TVQ registration numbers.

Section 2 - Communications

Determine the order of preference in which the ATQ staff will contact you. Make your selection by indicating the number of the corresponding communication system. If possible, we would like three (3) options.

Section 3 - Species and activities

Check off all of the appropriate boxes according to the types of species you have. Extra lines have been added for other species of cervids.

Also check off the activities you carry out at your establishment. Extra lines have been added.

Section 4 - Licence Categories and Numbers - Ministère des Ressources naturelles et de la Faune

Check off all of the appropriate boxes corresponding to the various permits you have been issued, and indicate the numbers of these permits.

Section 5 - Main production premises

Describe your main production site and give its location.

Example: fenced wooded area of 25 x 100 meters, situated 75 meters behind the main house.

Indicate whether this site is located at the same address indicated in section 1 by checking off the "same address as above" box, or use the appropriate space if the address is different.

Sections 6, 7, 8 and 9 - Secondary production premises

If you have more than one production site, use these sections to describe additional production premises.

Additional information that needs to be completed:

- a brief description of the site
- the complete address.
