

Information to be transmitted to the ATQ database

RESTRICTIONS

- It is prohibited to receive, or allow to be received, a bovine animal which is unidentified
- It is prohibited to make any erroneous, false or misleading declarations concerning the information to be transmitted, when applying the *Regulation respecting the Identification and Traceability of Certain Animals*.

OBLIGATIONS

The person in charge of the feeder calf collection centre must notify *Agri-Traçabilité Québec inc. (ATQ)* of the arrival of a bovine animal into the centre;

He must also transmit to ATQ:

- the name and address of the feeder calf collection centre or the site number attributed to it by ATQ (7 digit number);
- the date of arrival of the bovine animal;
- the official tag number (Quebec or Canadian);
- the premises number of the site of origin or the name and address of the animal's custodian at the site where the carrier loaded it.

The person in charge at the collection centre must advise *Agri-Traçabilité Québec inc. (ATQ)* of all animals departing for sites outside Quebec.

He must also send the following information to ATQ:

- the name and address of the collection centre or the premises number attributed to it by ATQ (7 digit number);
- the date of departure of a bovine animal to a location outside Quebec;
- the animal's official tag number (Quebec or Canadian);
- the premises number of the animal' site of origin or the name and address of the animal's custodian at the location where it was loaded by the carrier:

If this information is not available, indicate the name and address of the carrier and the registration number of the vehicle used to transport the animal.

DELAY PERIOD FOR TRANSMITTING DATA TO ATQ

The person in charge at the feeder calf collection centre must send this information to ATQ within seven (7) days of the event.
