

**Information to be transmitted to the ATQ database**

**RESTRICTIONS**

- It is prohibited to receive, or allow to be received, an ovine or bovine animal which is not identified with approved tags.
- It is prohibited to make any false, illegible or incomplete declarations concerning the information to be transmitted, when applying the *Regulation respecting the Identification and Traceability of Certain Animals*.
- It is prohibited to remove, or cause to be removed, any identification tags that are affixed to the animals.

**OBLIGATIONS**

The person in charge at the sorting centre must advise *Agri-Traçabilité Québec inc. (ATQ)* of all animal arrivals and departures. (A **departure** declaration is optional for **bovine animals** remaining in Quebec after passing through the sorting centre).

In this regard, the following information must be sent to ATQ:

- the sorting centre's stakeholder number (CTR 12345) and its premises number (7-digit number) that were attributed to it by ATQ;
- the official identification number of the animal;
- the date of arrival and date of departure of the animal;
- the name and address of the owner or custodian of the animal at its loading and unloading sites;
- the premises numbers of the animal's sites of origin and destination:  
If this information is not known, then the following must be provided:
  - the name and address of the carrier;
  - the registration number of the vehicle used to transport the animal.

**DELAY PERIOD FOR TRANSMITTING DATA TO ATQ**

The person in charge at the sorting centre must send this information to ATQ within seven (7) days of the event.

**METHODS OF DATA TRANSMISSION TO ATQ**
